LB 764

his which will be to advance LB 244. I would hope he would go ahead and give him the courtesy that he has asked for. We can ask for a final retribution on the Final Reading. Right, Senator?

SPEAKER NICHOL: Senator Barrett.

SENATOR BARRETT: Thank you, Mr. President, I, too, rise in support of Senator Chambers' effort to bring back 764. Originally this started out as LB 765, a Workmen's Compensation measure which I was not in support of. I am in full support of Senator Chambers' efforts now to include this measure as health and accident insurance. I hope the body supports him. Thank you.

SPEAKER NICHOL: I have no objection to Senator Chambers' motion but I believe we have one or two others so if we are going to take this I really feel that we should do that, so, departing again from the agenda, I do feel we should offer those that have...I think there are a couple more. We should allow them to do it, too, so with that, the question is the adoption of the Chambers amendment. The motion to return, I should say, yes. All those in favor of returning it vote aye, opposed nay. It takes...record, Mr. Clerk.

CLERK: 28 ayes, 0 nays on the motion to return the bill, Mr. President.

SPEAKER NICHOL: The bill is returned. Senator Chambers.

SENATOR CHAMBERS: (Response inaudible.)

SPEAKER NICHOL: You have heard the motion. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Mr. President, on adoption of the Chambers amendment.

SPEAKER NICHOL: Senator Chambers.

SENATOR CHAMBERS: I move that it be readvanced.
